### EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Claims 13-19, 21-26, and 28-32 have been cancelled.

Claim 20 has been amended to read:

20. The method according to claim 1, wherein the composition further comprises a hydrocarbon blowing agent.

Claim 27 has been amended to read:

27. The method according to claim 1, wherein the polymeric MDI is an isocyanate prepolymer.

Authorization for this examiner's amendment was given in a telephone interview with Lyndanne M. Whalen on 1/25/07.

The following is an examiner's statement of reasons for allowance: The invention of claims 1-11 as presented for appeal and claims 20 and 27 as amended in the above examiner's amendment are not taught or fairly suggested by the prior art. The rejection of record is withdrawn because the degree of picking and choosing from the elements provided for within the teachings of the combination of cited references in order to arrive at the methods of claims 1-11, 20, and 27 exceeds what would have been within the skill of the ordinary practitioner in the art at the time of the filing of applicant's instantly claimed invention.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to John Cooney whose telephone number is 571-272-1070. The examiner can normally be reached on M-F from 9 to 6.
